

Join Us as Technical Product Owner

Do you want to work for a company aiming to become the largest retailer in the Nordic within beauty and wellbeing? Are you an experienced Retail IT Application with experience from managing IT applications close to business and the workplace, like POS (Point of sale)? Then we would like to hear from you!

We are looking for a **Technical Product Owner** who wants to help Matas Group POS to the next level. We see great potential in leveraging these tools further at Matas Group, to enhance collaboration and elevating the overall employee experience. We currently have a project running to change the POS solution in Sweden, Norway and Finland.

About the role

In this role you will be reporting to our Head of retail IT applications in the IT Transformation and Business Applications team. You will join the team responsible for applications Warehouse system, ESL (electronic shelf label). The IT department is both located in Stockholm and Copenhagen/Allerød and we are therefore open for candidates from both countries.

Occasional travel days should be expected for 2-5 days per year.

Your main responsibilities

- Manage and optimize POS VIKING
- Provide 2nd line support for user queries and issues
- Develop and deliver POS VIKING
- Stay updated with, evaluate and plan implementation of the latest solution within POS VIKING
- Collaborate with vendors, the rest of the IT department and business stakeholders
- Participate in POS projects. We will roll out 500 tills in 3 countries

The ideal candidate should have the following qualifications and skills

- Relevant experience from a similar role
- Knowledge of POS solution
- Good documentation skills for technical and user-oriented materials
- You have a strong business understanding within the area and an interest in working in a changing organization
- You can work both alone and in teams, and can make decisions based on your analysis
- Holistically oriented, but with an understanding of the details when necessary
- You are fluent in English and/either Danish/Swedish and have a good understanding of the Nordic languages

What's in it for you?

Here at Matas Group, our purpose is ...for beautiful lives, being your true companion throughout all stages of life. We are guided by our 3 core values: Results, Relations, &You and you'll find that you are welcomed as the person you are, supporting you on your personal and professional journey and together we create the best place to grow.

Your day-to-day benefits include

- Possibility to work remotely from home or from our office in Stockholm/Allerød (As this position will be located in either locations)
- A culture based on collaboration, an open mindset and the willingness to challenge status quo
- Opportunities for professional and personal development

Do you want to learn more?

If this job sounds appealing, please send your resume by clicking "Apply" as soon as possible. Matas Group commits to an inclusive recruitment process and equal opportunity for all our job applicants with valid residence and work permit. We hold interviews on an ongoing basis and remove the job posting when our new colleague has been found.

We look forward to hearing from you.
