## About the Role

We are looking for a high-potential Strategy Consultant / Junior Strategy Manager to strengthen our Nordic Strategy Office at the Matas Group. In this role you will work closely with the VP Strategy and a dynamic, young team to shape and execute corporate-level initiatives that drive growth, competitiveness, and long-term value creation across the Nordics and ensure we realise our strategy of Win the Nordics.

## Key Responsibilities

- Structure and deliver strategic analyses (market sizing, competitive landscaping, customer segmentation, financial modelling).
- Develop clear and compelling executive and board-level presentation materials.
- Support and sometimes lead cross-functional workstreams—ensuring milestones, resources, and stakeholder alignment are on track.
- Monitor performance of strategic initiatives through KPIs and recommend corrective actions where needed ensuring our group strategy
- Keep a pulse on industry, competitor, and macro-economic trends relevant to the Nordic markets.
- Facilitate workshops and ideation sessions that engage senior leaders and subject-matter experts.
- Champion a data-driven, hypothesis-led approach throughout the organisation.

## Qualifications & Experience

- **1½–3 years** in a top management consulting firm **or** in-house strategy/corporate development role within industry.
- Proven problem-solving skills and strong quantitative/financial acumen.
- Advanced proficiency in Excel and PowerPoint; experience with BI tools is a plus.
- Excellent written and verbal communication skills in **English**; proficiency in **Danish or Swedish** (or another Nordic language) is an big advantage.
- Bachelor's or Master's degree in Business, Economics, Engineering, or a related discipline.
- Track record of thriving in fast-paced environments such as retail and juggling multiple priorities.

## What We Offer

Here at Matas Group, our purpose is ...for beautiful lives, being your true companion throughout all stages of life. We are guided by our three core values: Results, Relations, &You and you'll find that you are welcomed as the person you are, supporting you on your personal and professional journey and together we are creating the best place to grow.

Your day-to-day benefits include:

- Early exposure to senior leadership and C-suite decision making.
- A steep learning curve, tailored mentoring, and clear career-progression paths.
- Projects that span markets and functions across the Nordic region.
- Hybrid work set-up with travel to Copenhagen/Stockholm as project needs dictate.
- Competitive compensation package including attractive benefits and staff discounts.
- A collaborative, down-to-earth culture that values energy, curiosity, and provides a large amount of responsibility early on
